

intimus 4880 EPS / intimus 6680 EPS

Professional free standing electric guillotine with optional side tables for a more efficient work flow. The guillotine is able to cut easily paper stacks of up to 800 sheets. Suitable for high-volume use in copy shops, digital printing houses or book binderies.

intimus 6680 EPS

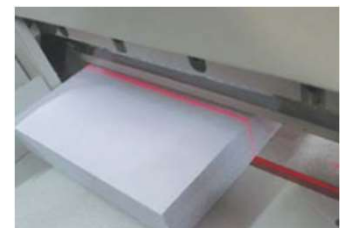

intimus 4680 EPS with side tables

Convenient and precise operation

The touch pad allows to control the electrical backgauge or to select easily preprogrammed settings for the most common formats (A3, A4, A5, A6). Up to 99 individual programs with 10 steps in each program can be stored on the memory. Knife fine depth adjustments can either be done via the touch pad or manually from the outside.

The LED optical cutting line guarantees easy alignment of cutting marks for precise cuts. The electronic hand wheel facilitates manual backgauge positioning, accurate to the millimeter at variable speed.

Safety is guaranteed

The safety light beam in the working area ensures the highest level of safety, automatic shut-off in case of access. Two-hand operation: executing a cut is only possible by pushing two buttons at the same time. Safe and easy Knife change with a Knife changing device.

intimus 4880 EPS / intimus 6680 EPS

Touch pad

Memory for up to 99 programs x 10 steps.

Backgauge setting

Key in the value you want to position the backgauge.

3 cutting modes available

1. Standard mode: key in a value and push start, the backgauge automatically moves to the set position.
2. Repeat cut mode (**M**): the paper stack is cut in even parts.
3. Program mode (**P**): program each step for the cuts to be made, up to 10 steps. At the end of the program the backgauge moves back to the start position.

Push out function (=)
The machine will push the cut parts out after every cycle for easy recovery of the documents.
